**Morgan Conservation District Awards Second Annual Scholarship**

*Morgan County, Utah - July 16, 2009* - Morgan Conservation District awarded its second annual scholarship on June 9, 2009. The recipient was M. Stuart Rollins. Rollins graduated from Morgan High School and is studying Veterinary Technology.

“We are pleased to see young people eager to become involved in fields related to agriculture,” stated Fred Thurston, Morgan Conservation District Chairmen “We are proud of Mr. Rollins and wish him luck in his education”.

Morgan Conservation District strives to promote conservation and sustainability of Morgan County’s natural resources by bringing government and local agencies together with private interests to foster solutions, and to provide financial and educational assistance to landowners and land users. The District also focuses largely on educating youth and adults alike about agriculture and natural resource conservation.

If you would like to find out more about the Morgan Conservation District and our involvement in agricultural conservation, please visit our website [www.Morganconservation.org](http://www.Morganconservation.org).
